{LACKWOOD

Blackwood receives its first breath of life when two ambitious brothers saw the need for refined and high quality work in furniture. Extensive research was done that required both to travel the world to seek and study pieces of furniture. They work closely with dedicated craftsmen that they trained, to approach the process of furniture making as an artist would in making a masterpiece.

Visual One

The most brilliant idea of all is Blackwood's infinite blue space. Furnishing your living room with Blackwood will result in all your basic needs fulfilled. Here in Blackwood, we believe that all living room products can have the flexibility of adapting to any living room.
